Not so much that a central character is made out of hundreds of characters, but that the producers can have fun with all of them. The simplicity that I'm talking about would allow for a more consistent action story, which might not require a central character, but would just be a series of cool and unique scenes. Think of: – a Tarzan movie set in a jungle – a Tarzan movie set in a snowscape – a Tarzan movie set in a desert – a Tarzan movie set in a shanty town Or – a Tarzan movie set in an African jungle – a Tarzan movie set in an American forest – a Tarzan movie set in a very vast Scandinavian forest – a Tarzan movie set in a Himalayan setting These are just examples, but
